CLING

Company Profile

Company History

Founded in 2003 as a manufacturer for phone & tablet case, we are a trustworthy partner you can rely on.

Benefit from Our Advantages

We provide elaborate, stylish & qualified leather protective stuff for wide range of electronic gadgets.

We value our responsibility as an earth citizen to establish a green planet. The material can pass REACH, ROHS and so on!

We have a strong stand on quality of any single piece of product & exceeding services from sampling to shipment!

Online Reseller Support

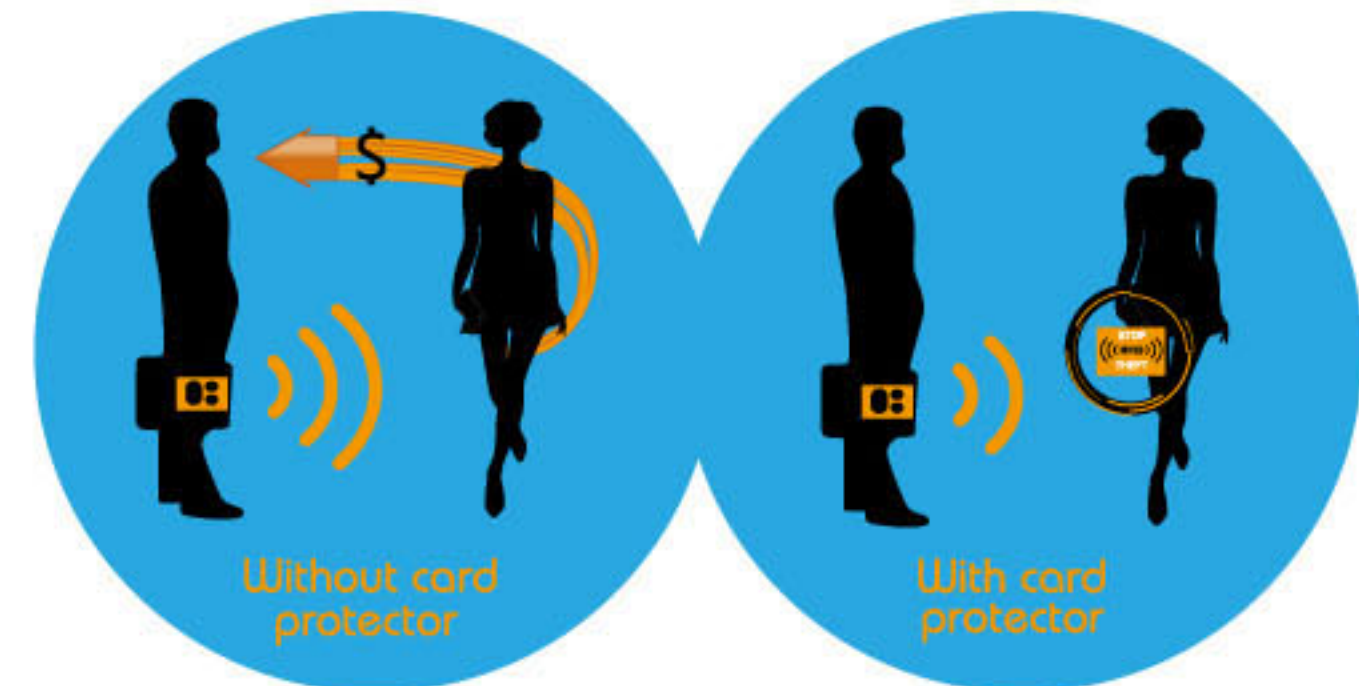

We support Amazon & other online re-seller with low MOQ, fast lead time, aggressive factory price, professional packages & photos!

RFID Blocking Case

All of our wallet cases are with anti-theft functions & handmade with top leather!

Our aim is to make perfect cases!
